SOCIAL MEDIA POLICY

Everyone must be aware that posting on social media is like speaking into a live microphone. Media outlets can and quite often do pick up on social media comments. Be aware that all teams depend on their sponsors to race weekly. Everyone should respect the value of our fan base and sponsors. By the time an offensive post or tweet shows up, it is too late to stop the spiraling effect for the track. You may feel that you cannot control the comments made in support of your initial comments, but that is not the case. Negative social media in any form about Duck River Raceway Park, DRRP officials, or racers will not be tolerated. Depending on the severity of the incident, fines or suspensions may be assessed. Please help us by speaking with your entire team of this policy.

Photo Release

I hereby grant permission to Duck River Raceway Park to use photographs and/or video of me taken on Duck River Raceway Park property in publications, news releases, online, and in other communications related to DRRP.
